

Junior Secondary Scholarships – Year 7 in 2025

Urangan State High School awards Scholarships to students achieving in the areas of Academic, Cultural and Community. The Scholarships are proudly donated and supported by our P & C. Successful applicants have the 2025 Student Resource Scheme paid and receive a credit voucher for our uniform shop. All students receiving a Scholarship are expected to commit to academic and behavioural excellence, be good role models, as well as display high levels of participation across our school community.

YEAR 6 STUDENTS ARE INVITED TO APPLY FOR SCHOLARSHIPS IN THE FOLLOWING AREAS:

Academic: This Scholarship supports students as they become increasingly responsible for their own learning in the pursuit of excellence. Students are encouraged to be complex thinkers, active investigators, effective communicators and self-directed learners through engagement in authentic and meaningful learning opportunities. At the cornerstone of the academic success of our students are the enrichment and extension opportunities that are available for student engagement and are supported by highly qualified staff. NB: It is expected that students who apply for an Academic Scholarship complete the Academic exam.

Cultural: This Scholarship supports students who have a talent for the Creative Arts. Students are encouraged to pursue excellence in our music, choir, drama, dance and instrumental programs. They are also encouraged to be effective communicators and self-directed learners. Students will be supported by highly qualified staff to achieve their goals.

Community Spirit: This Scholarship is for a student or students who live within the Urangan SHS catchment area and are nominated by their primary school in recognition of their citizenship, their positive attitude to learning and being a role model within their school. We hope to announce the successful award recipients throughout 2025.
