What experiences do I need before enrolling?

Students are required to attend an audition, or provide another form of evidence where they demonstrates competence in at least one dance style at Certificate II level, to be eligible for entry into the course. We strongly recommend having a minimum previous education level of Year 10 for Dance at a secondary school, or equivalent from an external provider.

Description/Outline:

This qualification reflects the role of a person working in a varied context in the live performance industry. Students will gain development in essential dance and performance skills and professional development of, and recognition in, the units within this qualification. The course is designed to provide the foundations for performers aspiring to become professional artists or teachers. There are performance opportunities each year which students will be asked to perform in. These include, but are not limited to, Dance Night, multi-arts events and graduation events. Urangan SHS is considered the RTO in regards to assessing and issuing Qualifications and Statements of Attainment.

Assessment: This is a competency-based course. Students will have multiple opportunities to demonstrate they can competently complete set activities over the course of study. Students will be assessed using a variety of techniques such as: observation, questioning, and development of a skills portfolio.

Late enrolments in Certificate courses: Students enrolling later than the start of the course or changing subjects during the course may not achieve sufficient competencies to be eligible for a certificate, however, they may receive a statement of attainment. In these cases, students may receive partial credit towards their QCE.

Fees: Students will be required to pay a fee of \$75 each year to cover the cost of industry professional workshops. Students, through their participation in the Shared Resource Scheme, have access to the photocopied class materials, internet, email facilities, required texts, software, hardware and other required equipment.

Course Materials: It is recommended student purchase a suitably sized USB to save resources and coursework where required.

Homework: All homework will be related to the work undertaken in class and will support the assessment tasks. Students are expected to review and reflect on work regularly. Access to the internet and OneDrive will also be an advantage for additional materials such as audio, videos, tasks sheets and revision resources.
