

Student Resource Scheme (SRS)

At Urangan SHS one of our key priorities is to provide students with a quality education, for the best value. We are fortunate that our P & C has endorsed offering a SRS to assist families with sourcing and provision of educational resources at exceptional value for money.

Our school has implemented a flat fee per student for the Student Resource Scheme. The cost for 2022 is \$235. Whilst the total cost of providing the resources is significantly higher than \$235 per student, we are committed to providing an affordable and time saving opportunity for students.

Resources included in the SRS may be:

- used in class
- hired to the student e.g. textbooks and musical instruments
- owned by the student e.g. student diary and student ID card.

The SRS does not include:

- excursions, camps and sport
- non-curriculum related costs e.g. year 12 Graduation
- subject fees – some subjects in years 9-12 have an associated cost
- consumables – A year level stationery list for personal items is on the school website.

Our school offers payment options enabling parents and guardians to pay the SRS in regular, smaller instalments. Direct debit via BPoint and Centrepay deductions are both approved payment plan options. All discussions and plans will be held in the strictest confidence.

We appreciate your support in ensuring your student is well prepared and resourced for a positive year of learning at Urangan State High School.
