

“Pursuit of Excellence... Every Minute, Every Day”

“Actions always speak louder than words when it comes to valuing your child’s learning”.

WHAT DOES A P&C DO?

The P&C (Parents and Community) of USHS is about people just like you – parents, care-givers and community-minded people who want to support their local school. P&Cs work closely with the school to build a stronger school community for the benefit of all students.

The USHS P&C aim to:

- foster general community interest in educational and school matters;
- encourage a closer partnership between the parents/caregivers of students attending the school, members of the community, the staff and students of the school;
- are a voice to the Principal on issues/concerns relating to the students and community;
- provide or assist in the provision of resources/services for the benefit of all students at school.

WHY JOIN THE P&C?

Joining the P&C shows your child how much you value their education and that you are interested in what they do. By joining the P&C, you are showing your child how committed you are to helping students and your school community. Participating in P&C activities can also help you to form friendships with other parents/carers/community members and feel a part of your school community. The USHS P&C needs people with a range of expertise/skills/talents who are committed to delivering great outcomes for their children and school. The more people involved, the more exciting and successful the school and community partnership will be. *Research shows improvement in student engagement, learning and wellbeing, along with enhancing the learning environment when parents/families/community are involved in their child’s education.*

By joining the P&C, you have the opportunity to add your support and voice to what’s happening in the school... and make a positive contribution that will benefit the whole school community, including your child.

HOW CAN I HELP?

Do you have a spare hour or two when you can help out in the uniform shop or canteen?

Can you find time once a month to attend a P&C meeting? Can you help out at events/activities?

As a P&C member who attends meetings, you have the opportunity to know what is happening in the life of USHS. You can also contribute your thoughts on positive school-wide agendas/projects, student uniforms/dress code, P&C budget and school surveys. *The things you do make a real difference - Please consider becoming involved.* Volunteers are always welcome at our canteen, fundraising ventures and school activities; donations of items and time and/or attending meetings. There are many ways that you can help. For more information please phone the school or email the P&C on uranganshspandc@gmail.com

Change can start with just one person – you!

P&C meetings are held on the second Tuesday of each month; 5.30-7pm in the Boardroom (located in the Administration building; enter via the back door). These meetings provide an opportunity to keep up to date with what is happening at the school; with reports being presented by the Principal and the P&C. A bonus for attending P&C meetings are the friendships you form along the way. New members/attendees are always welcome ☺

You are invited to join our P&C team.

Yours in supporting the USHS school community ☺
