Dear Parent/Guardian

Urangan SHS Athletics Carnival – HIGH RISK Activities

As a part of the Urangan State High School Athletics Carnival on 22nd to 23rd June 2023, students in all age groups will be undertaking a range of activities for Track and Field. Under the Education Queensland Curriculum Activity Risk Assessments. A number of activities that we undertake are deemed to be HIGH RISK activities. This requires parent/guardian permission to participate in the following activities:

- Discus
- Javelin

Permission MUST be taken to the EVENT on the day. NO PERMISSION – NO PARTICIPATION.

The safety of students is our highest priority. To ensure the safe participation by all involved, staff will manage risks by implementing a range of control measures, including but not limited to:

- Provision of appropriate areas to complete activities when required
- Provision of suitable equipment

For school based HIGH RISK activities, staff will access and utilise any relevant medical information from our records on OneSchool. If there are any changes that need to be made to your child's medical records, please contact the school office.

Thank you for your understanding and support to ensure we can meet these requirements. This will mean we can provide a safe environment for all students participating in HIGH RISK activities at the Urangan SHS Athletics Carnival.

If you have any questions or concerns regarding this information, please contact Mr Nathan Spencer, Head of Department, Health & Physical Education & Sport on 4197 0111 or nspen31@eq.edu.au.

It is the parents' responsibility to ensure that the student is adequately covered for Medical, Hospital, Dental and Personal Accident & Injury Insurance. Urangan State High School will not accept financial liability for such expenses if they should arise. Where supervision of the administering of medication is required while the student is away from home, parents will need to document details in separate correspondence to the organising staff member.

If you have any questions or concerns, please do not hesitate to contact me at the school on (07) 4197 0111.

Yours sincerely

NATHAN SPENCER
Head of Department – HPE & Sport

TONY MCCORMACK
Principal
